Pulling Together State Partnerships and Advisory Committees

A State's Perspective
Bethany Geldmaker, PhD
Objectives

• How to partner with key ECE professionals
• How to work across state agencies and organizations
• Tips for getting started
Partnering with key ECE professionals

• Getting started and established
  – Getting buy-in
  – What is in it for me
  – Surviving changing political environments
Working across state agencies and organizations

• Building partnerships based on your vision
• Making sure partners have what they need
• What it takes to be able to work together
Tips for getting started

...it was me, right?
Thank you
